Our Group Companies

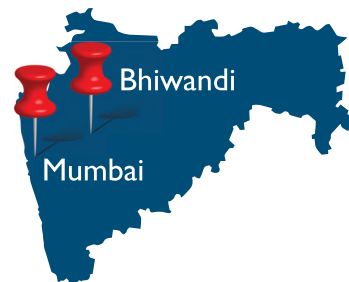

About Us

Oswin Group is headquartered at Mumbai, Maharashtra, India and has different strategic location manufacturing units providing a lean and efficient production connected Pan India and the world through Sea, Road and Air. The purpose-built factories include state of the art equipment, which is constantly updated, and houses a skilled and experienced workforce. Infrastructure for the companies features an up to date system which is in accordance to quality accreditations like ISO 9001: 2015 & ISO 14001: 2015. Our products are in strict compliance of RoHS, REACH

Our facilities are well-equipped with an engineering tool room, featuring a perfect blend of CAD / CAM, CNC & traditional machinery, allows tools to be accurately manufactured in-house, within budget and time, a robust framework hard to match elsewhere.
